

DEVELOPMENT APPLICATION

File No. # OCP00029

Addresses:

Proposal:

The application is to amend North Cowichan’s Official Community Plan by:

- > Expanding the Urban Containment Boundary to include the subject properties;
- > Changing the land use designation from “Rural Residential” to “Neighbourhood Residential”.

This application is being processed concurrently with a request to extend the existing Phased Development Agreement for the subject property, with the proposed changes facilitating future phases of residential development under the Kingsview Comprehensive Development Plan.
